*Free setup and customization not to exceed 2 hours. 2 hours is the time required for our team to update the above website areas.

*Terms, Privacy & Hippa policy are all basic templates. While these are a great starting point and can help protect your business and website, we recommend you seek legal advice to insure your website's legal documents properly cover your specific services in your City, State & Country. Additional website customizations can be purchased at \$85 per hour. Contact us for a quote if you require additional changes to your website.

*Domain name not required to use our website service. You may choose to use a www.holistic.vip/your-name/ url and may assign a domain name at any time.

EXAMPLE WEBSITE BELOW - ****NOTE**** ALL colors, background images, logo, links, text, buttons, contact information, social media links, address, hours, map, directions, etc. are updated for you.

Many practices will provide a background image that replaces the one seen below. If you don't have an image you would like us to use, we have several professional stock images you can choose from. Below is just an example of the top performing layout we recommend. Again, we can tailor to fit your practice/brand look and feel.

The screenshot shows a website for 'Acupressure Services' with the following elements and edit points:
